

## VACANCY ANNOUNCEMENT

### Job Summary

**Position:** Field Worker (1 post)  
**Reports To:** Project Leader  
**Work Station:** Ifakara  
**Apply By:** October 3, 2022

### Institute Overview

**Ifakara Health Institute (IHI)** is a leading research organization in Africa with a strong track record in developing, testing and validating innovations for health. Driven by a core strategic mandate for research, training and services, the Institute's work now spans a wide spectrum, covering biomedical and ecological sciences, intervention studies, health-systems research, service delivery and policy translation.

### Position Summary

Ifakara Health Institute is seeking a qualified and experienced **Field Worker** who will collect mosquito data in buses, trains, bus stops, and train stations; sort mosquitoes, and record the entomological data collected in the mobile mosquitos' phase II project.

### Duties and Responsibilities

- Ensure all data and samples collected from the experiments are properly recorded and stored.
- Supervise volunteers working within the project(s).
- Maintain all project(s) equipment in good order whenever in custody.
- Maintain constant liaison with community members in the study area to ensure the smooth running of project(s) activities.
- Implement quality control procedures, and ethical guidelines are met in the running of the project(s).
- Conduct any other duties as may be assigned by the Project Leader.

### Qualification and Experience

- Certificate of Secondary Education (Form 4).
- Ability to identify mosquitoes in different taxa.
- Ability to conduct field mosquito larval sampling survey.
- Knowledge in rearing immature mosquitoes to adult.

### Skills and Competencies

- Good verbal and oral communication skills in Swahili and local language.
- Team working skills.
- Self-motivated and highly focused attitude to work.
- Physical fitness.
- Adhere to IHI core values (Transparency, Responsibility, Integrity, Respect, and Initiative).
