

VACANCY ANNOUNCEMENT

Job Summary

Position: Field Interviewer (5 Posts)
Reports To: Project Leader
Work Station: Dar es Salaam & Kibaha-Pwani
Apply By: April 20th 2023

Institute Overview

Ifakara Health Institute (IHI) is a leading research organization in Africa with a strong track record in developing, testing and validating innovations for health. Driven by a core strategic mandate for research, training and services, the Institute's work now spans a wide spectrum, covering biomedical and ecological sciences, intervention studies, health-systems research, service delivery and policy translation.

Position Summary

Ifakara is seeking qualified and experienced **Field Interviewers**. The Field Interviewers will work in the HYBRID project to consent and conduct interviews with participants in the course of project implementation.

Duties and Responsibilities

- Perform screening and enrollment of participants in the study.
- Safekeeping, maintenance and return of project equipment given to him/her for the purpose of the survey.
- Conduct interviews with respondents as assigned by a Supervisor or Project Leader.
- Behave in good manners and interact well with other team members, the interviewees and the community at large.
- Perform any other task as required by the supervisor.

Qualification and Experience

- Secondary school education or Diploma in Community Development, Social Work, Sociology or any other related field.
- Experience in conducting research in clinical settings is an added advantage.

Skills and Competencies

- Qualitative interview skills.
- Ability to use computer application programs, and tablets for data collection.
- Good interpersonal and communication skills.
- Adhere to IHI core values (Transparency, Responsibility, Integrity, Respect and Initiative).

Remuneration

An attractive and competitive remuneration package will be offered to successful candidates as per IHI salary scales.
